BELKIN

tizi™ Mobile TV

Watch high quality digital TV on your iPad/iPhone/iPod.

Enjoy high quality digital TV and radio anywhere, anytime without using an internet connection. The Tizi receives digital TV and radio signals and transfers these via WiFi to your iPad, iPhone or iPod Touch. Using the Electronic Programme Guide (EPG) you can easily find interesting TV and radio programmes on air and If you're unable to watch, simply record it for later viewing on your device, watching it in crystal-clear video and audio quality.

Features

- Transmits TV or Radio directly to your iPad/iPhone/iPod
- Records TV or Radio on your iPad/iPhone/iPod
- Charges via USB (USB cable included)
- 3.5 hrs battery life
- Flexible antenna – fully retractable
- No internet connection needed
- Supports multi-tasking (play tv/radio in background)
